

North Yorkshire
Campaign to Protect Rural England

2017 June 23

Planning at CYC
via email

Dear Sirs

16/01813/FULM

**Creation of a new farm at Bradley Lane Rufforth re-submission of 15/02031/FULM
OBJECT**

We note that the date for decision agreed by CYC and the applicant was 16 June 2017. We cannot find any documentation on line to suggest either an extension to this latest deadline nor a decision.

CPRENY would be grateful if you could update this charity regarding the current status of this application.

The protection of the green belt is a key priority and campaign issue for this charity.

The harm of this proposal would outweigh any perceived benefits. The application, validated in August 2016 is, according to our objective, evidence based arguments, unsuitable for the purpose of the greenbelt.

We look forward to hearing from you.

Yours Sincerely

JM W Marley
